Dear Intercoiffure colleagues,

Are you familiar with the Intercoiffure Charity Project?

Education for Life is an inspiring initiative that advocates for the hairdressing education of young people who have limited opportunities for a stable income. You can be a part of this success story. We aim to make education accessible to all and provide young people with the opportunity to realize their dreams and make one of the most crucial decisions in life alongside us.

We warmly invite you to participate in a fundraising campaign and make a positive contribution. There are numerous ways you can help. For instance, you could initiate your own fundraising event, whether it's a charity run, a benefit concert, a handbag sale, or an online campaign. Every contribution, no matter how small or large, makes a difference and brings us closer to our goal.

Your donations will be directly invested in our schools, providing life-changing opportunities for children and adolescents. From supplying educational materials to expanding schools and supporting teacher training programs, your assistance enables us to broaden educational opportunities and shape the future of young people.

Education for Life is an organization committed to transparency and sustainability. We ensure that your donations are utilized efficiently and responsibly to achieve maximum impact, as our work is voluntary, ensuring that 100% of donations reach those who need them most. Thus, you can rest assured that your contribution directly benefits those in urgent need.

We encourage you to join our fundraising campaign and initiate an educational revolution together. Each of us can make a difference and make the world a better place for future generations. Additionally, your initiative will set you apart as unique. The conditions are favorable: social work is a matter of the heart, and your support will undoubtedly be perceived as a meaningful mission. This can build an additional image that reflects the core of your identity outwardly.

Thank you in advance for your generous support! Together, we can improve future opportunities for children and adolescents worldwide.

Warm regards,

Jens Dagné
