

## We give hope

Please help us!

We donate for the Education for Life  
School- and social projects for children.

The next Saturday we will donate  
throughout the world a part of our  
earnings for the charity projects of  
„Education for Life“.

We give children and teenagers from the slums  
and conflict areas of this world, threatened by starvation,  
violence, criminality, drugs or war, a qualified training  
and consequently, a future.
