

NEWSLETTER EDUCATION FOR LIFE MAY 2024

Dear friends and supporters of Education for Life,

what an exciting time we are experiencing! Despite all the challenges, our charity is thriving and shining brighter than ever. Over the past few months, we have overcome obstacles together that have strengthened and united us. But despite all the adversities, we did not allow ourselves to be discouraged and emerged from every situation with strength.

We are excited to present you the new newsletter from our wonderful Education for Life association. We are firmly convinced that social commitment is of the utmost importance, especially for elite hairdressers. Apart from the positive external impact for each individual salon as a friendly marketing measure, this commitment gives children in the hot spots of the world hope for a self-determined and successful future through training.

We laid the foundation for this in Paris in 2004 with the founding of the “Education for Life” aid program. As Chairman, I had the honorable task of steering the fortunes of Education for Life from the very beginning. After my election as global president of Education for Life on August 30, 2021, I was extremely fortunate to have an excellent team at my side with Alexander Herzberg, Bruno Sommer, Tun de Oliveira and Dan Studer. In particular, my Vice President/Treasurer and Managing Director, Dan Studer, works closely with me to ensure the success of Education for Life. We talk to each other almost every day. We are grateful that more and more friends, ambassadors and supporters are joining our heartfelt cause “Education for Life”.

As President, I would like to present to you today our newsletter as a passionate report on the activities of “Education for Life”. I'm proud to announce that we not only met our goals, we exceeded them! Our activities were a complete success, and we have gained new ambassadors and board helpers such as Jannik Garlisch (Admin Internet /soz., Media) or Ralph-Joachim Hoffmann (Special Representative of the Board) who share our passion and enrich our community.

Our vision for the future is clear and inspiring. We continue to strive for excellence and innovation to make our organization a leader in charity. With your support and our unwavering commitment, we are well on our way to achieving just that.

We are in discussions with Intercoiffure Mondial and Intercoiffure Mondial Management to ensure that this activity does not remain without financial support in the future.

Let us move forward together with enthusiasm and determination! Because together we can achieve great things and realize our dreams of making the world a little better.

With passionate greetings,

Your charity president Education for Life Mondial,
Jens Dagne

THE NEWS FROM EDUCATION FOR LIFE MAY

Chairs for the Christel House in South Africa

Our partner hairdresser Olymp has generously donated hairdressing chairs for our "Education for Life" school project in Cape Town! Despite transport delays, the chairs have now arrived. A big thank you to our friend Dr. Peter Wenzel and the Olymp team for their support. This donation significantly improves the students' learning environment and enables us to create educational opportunities for disadvantaged children. This collaboration shows how generosity can change the world. We are grateful and look forward to continued positive change through our partnerships.

Donation from Switzerland: scissors / knives

We are very grateful that our Swiss Ambassador Connie has received a generous donation, which we will soon hand over to one of our “Education for Life” school projects. Thanks to your good contacts and your commitment to our project, we were able to receive 100 scissors from JAGUAR and 60 hair cutting knives from PAUL MITCHELL.

This donation will go a long way toward providing our students with quality tools to further develop their hairdressing skills. We are deeply grateful for Connie's support and for the generosity of JAGUAR and PAUL MITCHELL.

Together we are committed to promoting educational opportunities and enabling a better future for the next generations.

MARION GANSE VISITS THE CHRISTEL HOUSE IN SOUTH AFRICA

Today we would like to tell you about an inspiring encounter. Our Intercoiffure friend Marion Ganse from Potsdam recently visited our school project CHISTEL HOUSE in Cape Town/South Africa. There she not only took the opportunity to get to know the facility, but also actively carried out several training sessions with the students.

Marion's commitment and support for our work is simply admirable. Through her time and skills, she has a direct impact on the lives of the young people at CHISTEL HOUSE.

We would like to encourage all members to follow Marion's example and visit our projects. Each of you can make a difference and make a positive contribution.

Thank you, Marion, for your inspiring commitment!

TOWELS FOR EDUCATION FOR

Super Super cheap, modern towels and “Education for Life” are clearly supported. We made contact with “belisse beauty” through the charity golf club Play for Life e.V. Special conditions apply to all Intercoiffure members when purchasing high-quality microfiber towels. Immerse yourself in the luxury and durability of these products that not only give your customer a feeling of comfort but also make your work easier. The microfiber products dry faster and therefore use significantly less energy.

The photos used are from: Designed by Freepik (www.freepik.com)

But that's not all! With every purchase you support our charity project “Education for Life”. Through your generous support, we enable educational opportunities for disadvantaged young people worldwide. Every towel order is therefore not only an investment in quality and energy efficiency, but also in a better future for those who need it most. Further information at: <https://education-for-life.com/#towels>

Act now and let's make the world a better place together!

AMBASSADORS WORLDWIDE

You can find all ambassadors with pictures at the following link:

<https://education-for-life.com/#ambassadors>

Unfortunately, we are still lacking ambassadors in some countries!

But our mission continues! We are still looking for 16 ambassadors from the following countries: Argentina, Belgium, Bolivia, Bulgaria, China, Finland, France, Thailand, Vietnam, Hong Kong/Macau, Italy, Peru, Singapore, South Korea and Taiwan. If you are from one of these countries and want to be part of a global movement, now is the time to act!

Please contact us for more information about becoming an Ambassador. Together we can make a difference! 🙌

DONATING YOUR HAIR

With your hair donation from your customers you are helping, because our Intercoiffure friends Kempinger / Germany then donate the surplus to Education for Life. Send the braids to your ambassador in your country (or alternatively to your president) and a collection package will be packed for Augsburg / Germany. Information at:

<https://www.meinehaarspende.de/indexDE.html>

SOCIAL MEDIA

Please ensure that our pages on Facebook <https://www.facebook.com/EFLCharity> and Instagram https://www.instagram.com/education_for_life_mondial/ continue to be published.

Please like and share. And to all ambassadors, please fill it with content!

On our Education for Life website you will find many downloads for your salon and of course our latest video for download <https://education-for-life.com/#download> for your salon PR!

NEWS FROM EDUCATION FOR LIFE SCHOOL – PROJECT IN CAMBODIA

We can celebrate a great success from our school project in Cambodia. 6 girls received certificates for completing their education from “our” Princess of Cambodia Ermine Norodam. Our thanks also go to our ambassador from Switzerland Cornelia Fabbriatore, who never tires of supervising this project directly.

We would like to thank Jannik Garlisch (Admin Internet/Social Media) and Ralph-Joachim Hoffmann (Special Representative of the Board/Ambassador Germany) for their help in creating the newsletter.

Kind regards
